ARDIAN SAPUTRA

Electronic Engineering

Personal Details

Name : Ardian Saputra

Address : Temenggungan RT.10 RW.03, Ambarawa, Panjang Village, Semarang Regency, Central Java, Indonesia

Email : ardiansaputra725@gmail.com

CP : +62 838 3839 4248

Profile : I am a third-year student in Electronic Engineering Technology at Politeknik Negeri Semarang, specializing in circuit design, embedded systems, and industrial automation. With hands-on experience in microcontroller programming (Arduino, PLC) and PCB prototyping, I aim to contribute my technical skills to innovative electronics projects. I excel in problem-solving and thrive in collaborative engineering environments.

Education

- Politeknik Negeri Semarang
  Electronic Engineering / 2022 - now

Skills

- Troubleshoting
- Programming (C, C++, Python)
- PCB Prototyping
- Microcontroller Develompment
- Teamwork
- Project Management

Experience

- 2020 | Internship at PT Telkom Akses
- 2021 to 2022 | Staff at PT JPEN
- 2024 | Silver Medal at IIIEX 2024
